I want to thank everyone who has helped me put together My 3rd Great Grandparents, William Lowe and Jane Gore's family. Descendants from Jefferson, George, Hawley & Arabella Jane's had been a big help in this project.
We couldn't get any farther on William Lowe but do have the Gore line many more generations back to almost the beginning of when they came to US.
Fortunately we have info on all the children of William and Jane but can't find their deaths anywhere. Family story went they sold their land in Madison Co. Il in 1838 after buying it 1830 and William wanted to go to Texas and took his wife and believe the 2 small children, but she didn't like it there and came back and then we found the small children with their older siblings in Iowa. But have never found any thing of the deaths of the parents.

This has been an on going project since 1969 to 2016 and even at that there is much more that can be done but since I have hit my 80 year mark I am going to let the younger ones to finish out the generations if anyone would like to work on this family.

At least this will be a start for anyone that descends from this line if they so desire.

I have included a pedigree chart showing the line both back from me to William and Jane.

HUSBAND - Jesse A. Tilton

Sources:

Obituary sent to me from Mrs Lucille Dabney of Kirksville, MO 1975
Was probably from a Chase Co. KS paper, no reference to date.
Jesse was killed by a train short distance east of Straffordville, Wed evening while on his way to Plymouth. Possibly to church and was following the tracks. The supposition is that he was killed when Santa Fe trains #7 and #116 met. In stepping out of way of one stepped in way of the other. He was 35 and unmarried. Lived with his father and step-mother on hs and his fathers farm. They had lived at Straffordville only a year or two and before that at Rocky Glen.
Beleived he had been robbed of a watch and small amount of silver, but think it was done after was killed by train. Funeral held at the Tilton home and burial in Toledo cem.

Had a note that he was married to Christena ? an orphan from NY but the obit said unmarried so not for sure of that. (Mrs Dabney gave me that info)

WIFE - Christena ?Unknown

Sources:

Info from Mrs Keith Dabney of Kirksville, MO 1974 said Jesse was married to Christena ? who was an orphan from NY.
However Jesse's obit said he was unmarried, so he could have been divorced.

Obituary of JESSE TILTON sent to me by Mrs Lucille Dabney of Kirksville, Mo. 3/75

JESSE TILTON Killed by train: Jesse Tilton, the son of Jack Tilton, who lives near Saffordville was run down by a train a short distance east of Saffordville Wednesday evening while on his way to Plymouth. It is said he was on his way to church and was following the track. The supposition is that he was killed when Santa Fe Trains No. 7 and II6 met and in stepping out of the way of No. 7 which was coming toward him, he got on the track in fron of No. II6 which passed at the same time.

The body was not badly mutilated and it was impossible to tell which train had struck him. The remains were found by Clyde Welch, agent at Plymouth who was on his way from his home at Saffordville to his work at Plymouth Thursday morning and Coroner Charles McKiney of Strong City was notified and arrived at Saffordville a short time later. As the cause of death was so apparent no inquest was held.

Jesse Tilton was about 35 years old and unmarried. He lived with his father and step-mother on his and his fathers farm. They had lived at Saffordville only a year or two and lived at Rocky Glen formerly.

The incident is a very sad one and Mr Tilton and his wife have the sympathy of the community.

This is the third death to occur in Chase County in less than a week where a railroad train has been responsible.

When found the body had been robbed of a watch and a small amount of silver but Corner McKinley has reason to believe the robbery was committed after Tilton's death.

The funeral was held at the Tilton home at 3 oclock this afternoon, after which burial was made in the Toledo Cemetery.

(I have reason to believe this was in Chase County Kansas in the year I9I2)

James Eugene "Gene" Dabney

Learn about upgrading this memorial...

Birth: Jun. 12, 1915
Death: Jan. 8, 2012

CONRAD - James Eugene Dabney, 96, died of natural causes on Sunday, Jan. 8, in Conrad.

His funeral is at 10 a.m. Thursday at Pondera Funeral Home, followed by burial in Hillside Cemetery and a luncheon at the Moose Lodge in Conrad.

Gene was born June 12, 1915, in Kirksville, Mo. He was born to Robert Alexander Dabney and Cora Tilton. Gene graduated from Kirksville during the years of the Great Depression. Jobs were scarce so he hopped on the rails and rode to Minneapolis, Minn. He had no money and just the clothes on his back. As he stood there in the railyard wondering what to do, an old man sitting there smoking a corncob pipe looked at Gene and asked, "Where ya going, son?" Gene responded, "I don't know." The old man took the pipe out of his mouth and said, "Son, see that train way over there? It is headed for Montana and if you hurry you can catch the train." Gene would tell the story that he sprinted across the tracks and caught the train and rode the rails to Montana.

After arriving in Montana, Gene went to work for the Gurnsey Dell Dairy out of Great Falls. He later went to work for the Pioneer Dairy. Gene worked hard and saved his wages and bought the Quality Dairy in Conrad, Mont., in 1939. He grew tired of the dairy business and sold the Quality Dairy and bought his first ranch, called the Sober Up Ranch, out of Dupuyer. It was on this ranch he realized his passion for the land and animals and started a sheep business. Gene was an avid storyteller and his favorite stories to tell were of the sheep. He could spend hours telling stories about the sheep business, sheep shearing, herders, trailing sheep and he could tell many stories of the men who worked for him. Gene was kind and gentle and there wasn't a herder or hired man who didn't put his feet under Gene's kitchen table at Thanksgiving or Christmas and share in his spirit of kindness.

After running sheep for 25 years, finding pasture and shearing crews became harder and harder so he sold the sheep and became strictly a cow man. He loved seeing all the sheep on the reservation; however, all the big sheep men went to cattle since they couldn't find pasture.

Gene met and married Helen McMullen in 1939 and together they had six children, Darlene Rosman of Conrad, Jeannie and

George Egan of Conrad, Bob Dabney of Overton, Wyo., Bill and Enid Dabney of Deer Lodge, Mont., Jim Dabney of Hardin, Mont., and Diana and Dennis Depner of Boise, Idaho.

Helen and Gene divorced in 1951 and he married Jean Sheldon of Hulett, Wyo., in 1953. Together they ranched for many years before moving to Buffalo, Wyo. In 2001, they returned to Conrad. They were married 47 years. She preceded him in death in 2002. He was also preceded in death by grandsons, Tyler Erickson and Robert Michael Egan; and a granddaughter, Misty Dabney, preceded him in death. Gene is survived by numerous grandchildren, great-grandchildren and great-great-grandchildren.

Gene would tell you that he lived a great life. He always wanted to live on the land and raise livestock and he was proud to have raised his children on the land. Farewell, Mr. Gene, friend, Dad and Grandpa. The last chapter in the book has been written and the last story told. Rest in peace, old cowboy.

Condolences may be posted online at www.gftribune.com/obituaries.

Hi Gladys,

Just got back from errands downtown. Dropped the candy I picked up for Jean in Dbq. at her house and neither of us had lunch so we walked a block up the street to a place and divided a BLT sandwich and we each ordered mozarella sticks to go with it. Very good - and I am stuffed. Transferred a bit of money from money market fund and added the money I won at the casino to my checking acct. so TV and utility bill is paid now. Good feeling to have it taken care of

2nd child was Jorja and she was born 10 Jun 1931 also, 19 days apart. His wife was listed as Gertrude Bolinger md 30 Apr 1925 so who is this Mary Taugher dau of Lila Mae Barofsky?

Debi Myers said Lester had 3 children which I knew but she said Lila Mae and Jorja were both born in 1931 so from what she gathered they must have had different mothers because Lila was born 21 apr 1931 and Jorja was born 10 Jun 1931 which 19 days apart wouldbe nbe twins so one of their births is incorrect. Lila died in 1938 and according to her death cert she had a lot of halth pro0blems and was actually livng in a hospitalo for handicappd children. (May 2015)

Birth: Sep. 7, 1885
Kirksville
Adair County
Missouri, USA

Death: Jul. 10, 1948
Spokane
Spokane County
Washington, USA

She was the daughter of Hawley Lowe, Jr. and Josephine Abernathy. In 1995 the family moved from Missouri to Montana. Isabelle was married four times, and had two children. She was divorced from both W.H.Barofsky and Martin Harry Dunbar. On December 15, 1930 she married a third time to Henry Ferguson in Boise, Idaho. No further record of them together. By 1940 she was married again (could find no record) to Murray R. Morton. Her death record says her husband was Murray Morton, but he is not mentioned in her obituary and from what I have found they were not living together. From her obituary in the Spokane Spokesman-Review: Morton, Hazel- Her home was at 903 W. 1st Ave. Mother of L.W. Barofsky of Miles City, Montana and M.H. Dunbar, Castorville, Calif., grandmother of Jorja and Jon Kerry Barofsky, both of Miles City, Montana, sister of Mrs. Nellie Rutherford of Millwood,Wash., David L. Hi Debi,
Didn't know if you found info on Isabelle Lowe in Find A Grave but I did and wouldn't have found it if I hadn't looked for Martin Harry Dunbar and there she was listed as a Morton.

Which I didn't know she married after 1930 to Henry Ferguson but it says she was md 4 times and last in 1940 to Murray R. Morton and her death was listed as 10 Jul 1948, Spokane Wash and buried in Riverside Memorial Park. So now have all 4 of her husbands. But a problem, as a Wayne C. Ferguson b 1916 Ore d. 1993 Or listed his parents as Murray R. Morton but no mother listed. Isabelle was said to have had 2 children and the one we knew was Martin Harry Dunbar Jr and Lester H. Barofsky. So where did thi Wayne Ferguson come from as son of Murray R. Morton?

If you haven't found all this it is in Find A Grave and start with Martin Dunbar and can find her name.

Gladys

Deborah Myers <debralu_54@hotmail.com> Sat, May 30, 2015 at 3:30 PM
To: Gladys TreadwayLowe <gltreadway77@gmail.com>

I did a lot more research this past week and found where she married again. Then I found Isabelle's death record online, which led me to search a google website that has newspapers on it. I found her obituary, which told where she was buried. I added the memorial to FindAGrave for her. Murray R. Morton was married before and had a son from his first wife. His ex-wife married a different Ferguson and Murray Morton's son took his step-father's last name. I found all of the records for him online and sent the person who managed Wayne Ferguson' memorial the info about the fact that Wayne Ferguson's father was actually Murray Morton. I'm sending you Isabelle's obituary.
After I read her obituary I searched for her grandchildren. Lester had three children, Lila Mae and Jorja were both born in 1931, but from what I've gathered they must have had different mothers because Lila was born April 21, 1931 and Jorja was born June 10, 1931. It's not possible for twins to be born 19 days apart, so either the records for their birth dates are incorrect, or they had different mothers. Lila died in 1938, but according to her death certificate she had a lot of health problems and was actually living in a hospital for handicapped children.

Jorja died May 10, 2003 in Riverside, California and her married name was Courtney. Her husband preceded her in death, but she has two daughters, Candice Jill Courtney and Cherie Corrine Courtney. They both graduated from high school in Riverside but after their mom died (and maybe after their uncle Jon Barofsky died) they moved to Missoula, Montana. I found both of them on Facebook, but haven't tried to contact them yet. I'm worried they'll think I'm crazy.

Lester's youngest child was Jon Kerry Barofsky who was born November 27, 1940 in Montana, and died January 13, 2007 in Riverside, California. I don't think Jon was ever married because his obituary was just one line and didn't mention any survivors. It didn't tell where he was buried, but the record was from a funeral home that has a crematory. I'm guessing he was cremated. It seems to me like a lot of people

Hi Deb,

Didn't know if you found info on Isabelle Lowe in Find A Grave but I did and wouldn't have found it if I hadn't looked for Martin Henry Dunbar and there she was listed as a Morton

Which I didn't know she married after 1930 to Henry Ferguson but it says she was 2nd + three and last in 1940 to Murray R. Morton and her death was listed as 10 Jul 1946. Spokane Wash and buried in Riverside Memorial Park. So now have all of her husbands. Still a problem, as a Wayne C. Ferguson b 1915 Die d: 1983 Cr listed his parents as Murray R. Morton but no mother listed. Isabelle was said to have had 2 children and the one we knew was Martin Henry Dunbar Jr and Lester H. Barclay. So where do the Wayne Ferguson come from as son of Murray R. Morton?

If you haven't found all this it is in Find A Grave and start with Martin Dunbar and can find her mama.

I did a lot more research this past week and found where she married again. Then I found Isabelle's death record online, which led me to search a google website that has newspapers on it. I found her obituary, which told where she was buried. I added the memorial to FindaGrave for her. Murray R. Morton was married before and had a son from his first wife. His ex-wife married a different Ferguson and Murray Morton's son took his step-father's last name. I found all of the records for him online and sent the person who managed Wayne Ferguson memorial the info about the fact that Wayne Ferguson's father was actually Murray Morton. I'm sending you Isabelle's obituary.

After I read her obituary I searched for her grandchildren. Lester had three children, Lois Mae and Jora were both born in 1931, but from what I've gathered they must have had different mothers because Lily was born April 21, 1931 and Jora was born June 10, 1931. It's not possible for twins to be born 19 days apart, so either the records for their birth dates are incorrect, or they had different mothers. Lila died in 1958, but according to her death certificate she had a lot of health problems and was actually living in a hospital for handicapped children.

Jora died May 10, 2003 in Riverside, California and her married name was Courtney. Her husband preceded her in death, but she has two daughters, Candice Hill Courtney and Chere Courtney. They both graduated from high school in Riverside but after that mom died (and maybe after that uncle Jon Barclay died) they moved to Missoula, Montana. I found both of them on Facebook, but haven't tried to contact them yet. I'm worried they'll think I'm crazy.

Lester's youngest child was Jon Kary Barclay who was born November 27, 1940 in Montana and died January 13, 2007 in Riverside, California. I don't think Jon was ever married because his obituary was just one line and didn't mention any survivors. I hope you had a nice Mother's Day. I went to Columbia to spend the weekend with my daughter's family. My son and his wife spent the weekend in Kansas City with her mother so I won't get to see them until they're here in a few weeks. I had a great time in CoMo and really wish I could move down there.
Yesterday I went to lunch with my brother, his wife, and a few friends. We were celebrating Doug's 63rd birthday on the 10th. Poor guy has always had a rough time since Mother's Day is always around his birthday.

It was cool and windy yesterday so I stayed inside and did some searching again for what happened to Isabelle Genervia Lowe. I decided to search the 1920 census for someone named Lester (her son) living in Montana, and low and behold I finally found Isabelle with her second husband. I haven't found a marriage record for them, but I know this record is for her. Evidently her husband couldn't spell his stepson's last name, or perhaps it was the census takers fault. It was written down as "Lester Brabsky", but I know this is correct because of the other records I've found.
https://familysearch.org/ark:/61903/1:1:M83G-83K

By the 1940 census Isabelle's second husband, Martin H. Dunbar was single and living in Spokane, Washington.
https://familysearch.org/ark:/61903/1:1:K93G-JJ8
He died in Washington in 1956:
https://familysearch.org/ark:/61903/1:1:N31W-5VJ

In the 1930 census the Dunbar's were either missing or their names must have been misspelled because I could not find them.
Their son Martin Harry Dunbar, Jr. was living in Billings, Montana in 1940, but he went by Harry.
https://familysearch.org/pal:/MM9.3.1/TH-1961-27890-10332-20?cc=2000219
This record said in 1935 he was living in Ontario, Malheur, Oregon, which is where the military record in September 24, 1940 said he lived.
http://wwii-enlistment.com/record/19014883/
I think Harry was divorced in 1982 from his wife Madline (no last name given) in California. He died on January 15, 1997 (if this is the correct Martin Harry Dunbar):
https://familysearch.org/ark:/61903/1:1:VP3J-83M

On December 15, 1930 Isabelle married for a third time to someone named Henry Ferguson. After their marriage both basically disappeared again. I really wish I could find an obituary for David Lowe to see if it says anything about his sister Belle dying before he did. After they married I cannot find anything else on them. I am guessing that she must have died between 1930 and 1940, but who knows. I found a Henry Ferguson who was born 1875 and died in the Oregon State Hospital in 1932. He was cremated and no one claimed his ashes. I supposed it's possible that Belle was either dead or they had separated by then. It would be nice to find an obituary for her or her sons, but those darned newspaper sources charge for those, and I'm just too cheap to pay for this stuff! One thing that makes it so hard to find records for Belle is that she used so many different names! She evidently even had a nickname that she sometimes went by, Hazel is listed in this marriage record as one of her

in California get cremated.
I'm really curious about that odd birth thing for Lila and Jorja, so I might have to try and contact Jorja's daughters to ask them if they know about their mother's sister. I'd also like to know about their uncle Jon... if something was wrong with him, too
I haven't been sending you all of the info I've found because I wanted to get everything put together before I sent you another e-mail. My granddaughters are at my house today and will be here for nine days. I'll probably be too tired and busy to get any more research done.

Today I happened to run across a record for a Lowe cousin who died in Spokane, Washington in 1956. She was Hawley Lowe, Jr.'s daughter Nellie. Who ever filled out the death record didn't know her mother's name (since it was actually Josephine), but I'm sure this is her. When her younger brother David Lee Lowe filled out his draft registration papers for World War II, he gave her name and address in Spokane as a contact for him. She isn't listed in FindAGrave yet, so I don't know if there was a headstone for her, or even if she was buried in Washington. She was evidently married to someone named Rutherford, but I don't know what his first name was. I thought you might like to have this for your records.

Today I happened to run across a record for a Lizzie cousin who died in Spokane, Washington in 1956. She was Hawley Lowe, Jr.'s daughter. Next, who may hold out the least chance of ever knowing their mother's name (since it was seemingly Josephine), but my grandpa is her. I forgot to send you that obituary for your records. I just noticed that it said she had lived in Spokane for 35 years. I don't understand why I haven't been able to find her in any census records. I guess I'll have to look again!

After I found the obituary for Isabelle I searched through the online newspaper and found the one for Nellie's funeral that gave her granddaughter's name. It didn't give a place for her burial. I found two marriage records for her:
https://familysearch.org/ark:/61903/1:1:K8HF-KV5
http://www.digitalarchives.wa.gov/DigitalObject/ViewAsJpeg?ID=4D76D9DD5B1C7431A6B19DA418C5A594&ViewAsJpegPage=0
I have searched and searched and searched for a record for a Margie Miller who was Charles Miller's daughter, but can't find any record. I have started to wonder if Nellie had another child, a daughter who died before she did. If so this could explain why I can't find any record of a Margie Lillie MIller. I found records online for her husband Eldon L. Paris, and he's still alive. He is on Facebook, but once again I hesitate contacting him because he might not want to be reminded of Margie, they are no longer married. It's driving me nuts, so I may just try to find his phone number and call him. I think he lives in Mesa, Arizona. I don't know if he and Margie divorced, but I think they must have because I never found a death record for a Margie Lillie Paris. Of course searching for people with the last name Paris is really tough because Google keeps bringing up the city Paris not the surname. It's possible that Margie is still alive because she'd be between 70 and 80 based on her husbands ages. Harry Adler died in 2003, but he was born in 1934.
I found something really weird about Eldon Paris. His family was from Adair County, Missouri. His father, John Orville Paris, was born in Connelsville in 1909. Some time between 1920 and 1930 they moved to Illinois, and Eldon Paris was born there. Eldon Paris was only 20 when he and Marie Lillie were married, so it's possible that like the rest of her side of the family, she lied about how old she was. I contacted my cousin Bret Salladay who lives in Connelsville, and he said that two of Eldon Paris' cousins, brothers Garnet and Gerald Paris still live there!
I think that something must have happened to those Lowe cousins. It appears from every census record that Nellie Lowe was in that she never raised her children. She was always living alone, except 1920 when she was married to Albert Rutherford, and either claimed to be widowed or was divorced. That is why it's so difficult to find any records for her son (or children). Charles Miller never lived with his mother, so I have no idea how old he would be. I can only estimate that he would have been born 1904 to 1910. Nellie was divorced from Lewis Miller by 1910 when she married Ira Tuggle in 1910. They were divorced by 1917 (when Ira Tuggle filled out his draft registration) and she married Albert Rutherford in 1918. She lied about her age, said she was 24 when she was really 33. If she had any other children they never lived with her.

Mallie's obit

After I found the obituary for Isabella I searched through the online newspaper and found the one for Mallie's funeral that gave her granddaughters'
name. It didn't give a place for that burial. I found two cemetery records for that:

[redacted]

I have searched and searched for a record for a Marie Miller who was Charles Miller's daughter but can't find any record. I have started
to wonder if Mallie had another child a daughter who died before she. If so this could explain why I can't find any record of a Maggie Lillie Miller. I
found records online for her husband Elmer L. Boyle, and they still show he is not deceased. I realize deceased can become the might
not want to be mentioned if Maggie divorced but I think they'd list her husband. It's strange because there would be a Maggie Lillie Boyle
living in Mesa, Arizona. I don't know if he said Maggie divorced but I think they'd list her husband because there would be a Maggie Lillie Boyle
of course. Assuming the people with the last name Boyle is really legal because Gloria Boyle passed away in the obit. Plus not the surname. It's possible
that Mallie is still alive because on the Maricopa County Arizona Death Index Mallie died in 2002. She would be 104 in 1994.

I don't remember ever seeing Mallie's family Bible. The Bible I have from Mallie's family is from Charles Miller's family. Charles was born in Cookeville
1850. Some time between 1850 and 1860 they moved to Illinois and then Edgar County Illinois. Edgar County Paris was only 20 years old when Marie
was married. So it's possible that the Bible of her family, she had been living with or she was. I conducted my cousin Bert Beckley who lives
in Oconomowoc and he said that two of Elton Bert Coulter's brothers, Elmer and Donald Phillip, she had died.

I think that someone should have inherited some possessions. I wonder if Mallie's son Elmer Boyle was in the Air Force. He would have been
born in July of 1920 and then he would have been drafted. Charles was drafted in World War II. Mallie was married to Charles in 1910. Maybe
he's not drafted. He would have been 21 in 1941. Maybe he was deferred from there because of Mallie's age. I'm not sure. I'm not sure
They were married by 1917. Unless he'd had out of the depression and she remarried. After Charles died in 1964. She'd been married for 54 years.
She was 24 when she was. If she had her other children they were living with her.

HUSBAND - Harry Price Lowe

Letters from Harry to cousin Keith Dabney written 1962 and 1963 gives all birth and death dates and ages of family, not sure how many are correct. Then letters in 1965 gave different death dates for the family.

He gives his age in the letter in 1962 as age will be 73 in Feb. His death certificate # E-535 Ada Co. ID said born 1885 and died age 85 born 1885 Miles City, MT and in his letter he says they left MO 1895 so in fact he was born in Adair Co. I believe actually 1889 but no way to prove it unless there would be a birth record like the one I found for his sister who was born 1885 according to Court records.

He died of bronchopneumonia due to emphysema. Harry's address was listed as 3324 Anderson, Boise when he died. Soc Sec Death Index, Harry Lowe age 84 birth 2 Feb 1886 Nevada, las Residence Ada , Idaho 83703, died Jun 1970 (copy)

Notes:

HUSBAND - Henry Price Lowe

Letters from Henry to cousin Keith Dabney written 1952 and 1953 gives dr birth and death dates and ages of family, not sure how many are correct. Then letters in 1955 gave different death dates for the family.

He gives his age in the letter in 1952 as age will be 72 in Feb. His death certificate # E-535. Ada Co. ID said born 1880 and died age 85 born 1885 Miles City, MT. and in his letter he says they left MO 1889 so in fact he was born in Adair Co. I believe actually 1889 but no way to prove it yet. There would be a birth record like the one I found for his sister who was born 1885 according to Court records.

He died of bronchopneumonia due to emphysema. Henry's mother was listed as 1324 Anderson, before when he died. See See Death Index. Henry Lowe age 84 birth 2 Feb 1886 Nevada, last Residence Ada , Idaho 83703, died Jun 1970 (copy)

We had a real mild winter here up until 2 weeks ago. Then we 7 inches of snow, and down to 23 below zero. The snow is still on the ground. But it has thawed some the last couple of days but very little. I don't work any more and havent for over 5 years. I but white face calves and grow them out a year and sell. and also buy some Real Estate. I am single and never had any children so you see I am a lone wold. It gets pretty lonesome at times, I batch go to bed when I want to and get up when I want to. You might say I am just waiting for the grim reaper to come along. I thing I have covered every thing pretty well. Will close. Expecting to hear from you again

Sincerely

Harry Lowe

Hi Robert;
Ill answer your letter I rec about 2 weeks ago. How time does fly. Thanks for Junes and Kate's addresses. I rec a letter from June the same day I got your letter. Will answer it to day. The weather here has been nice and dry. Not much snow. Just enough to partley couver the ground. There hasent been enough snow in the mtn's to drive the Deer from the High mtn's. I went 3 days didn't see any and only a very few tracks. So I guess I won't get any this year. You ask if I had any cattle now. (No). I sold every thing the first of October and won't buy any more. It is to much for me to look after. I bought a tank of oxygen and the gages to go with it. Dont see as it is doing me any good. I am just able to get around and that is all. About I00 ft is all I can walk then I have to stop and rest. There sure has been a lot of cousins droped off since I was there. Is there any of Uncle Franks kids left. The only one I ever knew anything about was Henry and Mat Lowe. It seems to me there should be more of them. Here is a funny thing. My oldest sister Belle died July I0 I948. My Brother David died June I0th I95I and my youngest Sis Nellie died Sept I0th I956. So you see if I get past the I0th of any month I am good for another 30 days. I bought a vault and marker for my grave and have the lot bought also. Dident buy the coffin. Ill let my girls do that as I probley wouldent get what I paid for any way. If I had it to ober again I would be creamated. I want to beat these D___ Undertakers out of as much as I can. They are all a bunch of Robbers. I regret that I dident come back there 20 or 25 years sooner. I came all most coming in the fall of I934. Now I wish I had. I probley wouldent of come when I did if my sister Nellie hadent told a bunch of lies. I came to find out the truth and found out it was just a big lie. You couldent beleive one thing she told. I think she would have a dream and tell it for the truth. I have 4 more letters to writ. So I better bring this one to a close. I sure will be glad when the Holladays are over. We have passed one and 2 more to go. Answer when you can and have time as I dont get very many letters.

Sincerely as Ever

if he wanted to appear younger at times. He was married twice, and divorced from his first wife. From what I found, it seems as if his only child died when she was only three years old. I found her grave on FindAGrave. In 193Here's what I found on David:

Nellie Anna Lowe was a tough nut to crack! I had found where she lived and her last name in the draft record for David during World War II. Then I found her death record on familysearch.org, but I couldn't find anything else about her until this morning. I found a google website that has newspapers you can read online, and I found Nellie's obituary. It said she was survived by a son Charles Miller, who was living in Louisiana, and a brother and a GRANDDAUGHTER living in Idaho. After a few more searches I found the marriage record for Nellie. In 1904 she married Lewis Miller in Montana. Other than the marriage for her first marriage and her death record, I can't find any other records for Nellie. I know that after she either divorced or Mr. Miller died, she married someone named Rutherford. Since I have no idea where she was living I can't find a marriage

Yesterday I became obsessed with finding out what happened to Hawley Lowe, Jr. and his children. After I discovered they had lived in Idaho after their mother died in Montana, I just couldn't stop searching for them... I lived in Idaho for eleven years. I wanted to find out if they had any children left out there whose paths I may have crossed.

I discovered that Harry Price Lowe was called "Hally" in the 1900 census. There were a lot of conflicting birth places and dates for him, and since he kept changing his name it was hard to finally round him up, but I did. Here's what I found on Harry:

marriage in 1913 to Maud M. Shermerhorn (I believe she was married before, and her maiden name was Gillaspy):
https://familysearch.org/ark:/61903/1:1:F3TW-2JP
https://familysearch.org/pal:/MM9.3.1/TH-1-9734-8613-35?cc=1662500

1917 draft registration showedon May 31, 1917 he lived in Pocatello, Idaho and had a child!!!
https://familysearch.org/pal:/MM9.3.1/TH-1951-26176-58542-21?cc=1968530
By the 1920 census the child was dead (if this is the right Lowe)
1900 census:

1920 census (listed as R.P. probably transcriber error)
https://familysearch.org/ark:/61903/1:1:MDC6-2RV
1930 census he was still married to Maude.
https://familysearch.org/ark:/61903/1:1:XHDN-T6T

I couldn't find either of them in the 1940 census.
I found a burial for Maude M. Lowe who died in 1957.

Death: 1970 in Nevada, but last address listed as Ada county, Idaho 83703

I also found several discrepancies in the records for David Lee Lowe. It seems as

FINALLY! It has taken me two days, but I finally found a marriage record for the oldest child. She was listed as Belle in your genealogy book, and in the 1900 census her parents listed her as Geneva. In the marriage record (dated 9 February, 1903) she was listed as Jineria Isabella Lowe. I haven't been able to find either of them in any census records yet, so I don't know what happened to them after they got married.

I was watching The Voice on TV tonight and while it's on I'm doing some searches again on the websites that I've been finding things on. I checked ancestry.com for "Isabel Barofsky" instead of Barofski, and found where she went by Bella. I also went to FindAGrave and did a search for the last name Barofsky, and found Bella's in-laws (based on the marriage certificate info) along with the memorial for her husband. He died in 1919, but they were divorced in 1914. Every one of Hawley and Josephine's children married and divorced at least once.
http://www.rootsweb.ancestry.com/~mtgcgs/documents/resources/Divorce-07132013.pdf

They had a son named Lester Barofsky, born June 20, 1904, and died in California in 1975. Here is his marriage record:
https://familysearch.org/pal:/MM9.3.1/TH-266-11122-76644-63?cc=1609797

I can't find any record for when Belle might have remarried. I also can't find a record for her dying. I don't understand why those census records out west don't have many of the people listed. I guess the areas were so remote that no one actually went out and took a census.

I found Josephine's grave on FindAGrave in Montana. She died in 1903. I also found where Hawley was said to be living with both sons in their 1917 draft registration records. The record for David Lowe said that the draft taker didn't believe that David's father was living with him. Only four days before David filled out his draft registration, Harry filled out his saying that his father was living with him.
I made a FindAGrave memorial for Hawley based on the date of death that you listed in your book. I listed his burial place as "other" since we don't know where he's buried. I have friends who live in Boise, Idaho and I am going to contact them to see if they can go to the library in Boise and search for a death record in 1918 for Hawley. I wonder if there might be an obituary in the Kirksville paper, since he still had family here. I've got a feeling that Hawley is actually next to Josephine, with no headstone. In 1918, when he died, his son Harry was working for the railroad. He could have very easily gotten either free or reduced passage for his father's casket to be shipped to Montana from Pocatello (where Hawley was living with Harry when he registered for the draft in 1917).

Frank farmed and in later years he built a dance hall across from the store in Nind, MO and held squar dances there. Frank was in a wheel chair the latter part of his life because of arthritis, but that didn't slow him down much. It was said that he took the train to Kirksville and to Greentop to visit relatives by himself.

3 children and one of their cemetery stone.

Mary Ann came to CO 1901 and worked at dressmaker shop of Miss Cooper who was a well known dressmaker in the early 1900's there.

Later life she liked to make quilts and braid rugs.

Their son Robert married late in life and had no children and Velma never married and daughter June married couple times and had two daughters.

1954 they were living at 416 N. Grant ST, Ft Collins, CO. Later they moved to 1119 Ridgelawn in Ft Collins with their daughter in a large home overlooking a lake. They lived in the upstairs and Velma lived in the down stairs apartment then when both parents had died Velma moved upstairs and rented the downstairs apartment. Velma lived her whole life with her parents and taught school when she was younger then when she retired she stayed home and took care of them.

Believe there were Bushnell cousins in Colorado as Velma mentioned about traveling with a cousin. No Lowes were there so would have been Bushnell's.

He lived most of his life in Adair and Macon Co., MO except for short period when he was in Stillwater, OK where he picked cotton. Laura didn't like it so she brought the girls back on the train and Henry came later with the boys.

He farmed most of his life, but had other odd jobs as well. After returning from OK he worked for J.H. MIkel Produce House. They picked up chickens and turkeys and drove large bunches as far as 50 miles to another produce house then drive more back on return trip. They had a 4 horse wagon hitch for this. In the winter time they would stop at farm houses to get warm.

By 1915 they moved to Yarrow to some land they were given by Laura's father. Then 1919 they bought land where they lived until 1956 when they sold it and moved to LaPlata.

Grandpa raised many crops but also raised cane to make sorgum. He had his sorgum mill down in the woods from the barn. One pint got as far as Oregon and was donated to the March of Dimes and was sold for $5.00. (don't know when this was, but was written in the Kirksville paper)

They got electricity after several years and it was quite new to them. Even after they got it they didn't use it much at first. They were used to lighting a lamp and just continued to but finally they got use to it and used it more.

For many years we had a family reunion every August when all the children, grandchildren and other relatives came to the farm. We all did look forward to those times. There wasn't any indoor plumbing or hot & cold water in doors but no one seem to mind. Then we had those feather ticks to sleep between at night, which was a treat as we all had regular beds.

Grandpa had a radio and he never missed Lum and Abner or the news. When they moved to town they purchased a TV but still played cards to pass the time in the evenings.

Besides the one trip to OK, they came to Bettendorf, IA in 1950 and then one year they went to Humboldt, IA for a family reunion after we stopped having them in Kirksville. First we had them about half way between here and there then stopped all together.

CHILD 4 - Jacob O. Lowe

BIRTH: Recorded Kirksville, Mo Record # 480 and gives parents as Frank J. Lowe and mother as Rebecca J. Mullanix (which was wrong as her maiden name was Munden, proven by mg record).

DEATH: Was said he was accidently shot by a hunter, never did get to many details about the shooting. He was 8 years old. Don't believe have a picture of his cemetery stone.

Death: May 24, 1928
Adair County
Missouri, USA

Frank Lowe was the son of Hawley and Rachel Mariah (Russell) Lowe. He was born at Greentop in Adair County, Missouri and spent his entire life in Adair County.Frank's father Hawley was paid to take the place of an unknown man in the Civil War (the Confederate side). He was killed in the Battle of Roan's Tan Yard/Silver Creek on January 8, 1862 and is buried in a mass grave at the battle site. On May 11, 1879 Frank married Rebecca Jane Munden. He and Rebecca had five children. She died in 1894 after an illness of several months at the age of 36. Frank then married Susan Adlina "Lina" (Salbury) Talbert Rhodes in 1896, and they were the parents of two children.
Frank farmed and in later years he built a dance hall across from the store in Nind, MO and held square dances there.
Frank was in a wheel chair the latter part of his life because of arthritis, but that didn't slow him down much. It was said that he took the train to Kirksville and to Greentop to visit relatives by himself.
Frank died of influenza at his home at the age of 69.

Dear Gladys,

I am writing to you regarding Lowe family history. Your name turned up in some of my research, and I thought maybe you could help me a little with my family genealogy research.

My grandmother was Pearle Francis Lowe, the daughter of Andrew Jackson Lowe and Ann Lloyd. Andrew Jackson Lowe was the son of William Lowe and Jane Gore. Apparently, we are both descended from the Lowe/Gore family, although I do not know the connection. As a child, I remember meeting Ralph Lowe one time. I know he was researching the family history. He was related in some way to my grandmother, probably a cousin, but I am guessing about that. I just remember he was a very nice man, a school teacher, I believe. My mother is still living (in Parkersburg, IL) and is 94, but she doesn't remember much about the family history.

I am very interested in Civil War history and am trying to learn more about Hawley, George and John Lowe, whom I have been researching. I did track down a little information on Hawley and George, where they fought in the war, etc. I am enclosing this copied picture that was found when cleaning out my grandma's house. Would you have any idea if the picture co[illegible]f the Lowes? Unfortunately, most of the pictures I looked at did not ha[illegible] them. I guess most of us are guilty of that! Also, I am trying to track dow[illegible]utionary War connection of the Lowes and Gores, but have not yet been s[illegible]If only I had first names of the fathers of William Lowe and Jane Gore-[illegible] help.

HUSBAND - Frank (NMN) Bushnell

Info from Frank and wife Mary Ann and dau Velma on visits to their home.

Frank was a farmer untill 1911 then moved to town and worked at a Sugar factory making artificial gas. Then was a Hassler at the Railroad Co. then went to work on his own after that and had his own Bushnell Transfer Co. where he worked until the age of 75 in Ft Collins Co.

He said the Bushnell line had been traced back to England. He had no middle name and was of Baptist faith. He was 91 when he died.

Believe there were Bushnell cousins in Colorado. Franks family came from Vinton, Iowa and went to Colorado. Velma had told me a little of the family but didn't write it all down.

WIFE - Mary Ann Lowe

Info from Mary Ann and Frank Bushnell and dau Velma.

I have pictures of Mary Ann when young and also of their Golden Anniversery. Also one taken 1965 of them and their 3 children and one of their cemetery stone.

Mary Ann came to CO 1901 and worked at dressmaker shop of Miss Cooper who was a well known dressmaker in the early 1900's there.

Later life she liked to make quilts and braid rugs.

Their son Robert married late in life and had no children and Velma never married and daughter June married couple times and had two daughters.

1954 they were living at 416 N. Grant ST, Ft Collins, CO. Later they moved to 1119 Ridgelawn in Ft Collins with their daughter in a large home overlooking a lake. They lived in the upstairs and Velma lived in the down stairs apartment then when both parents had died Velma moved upstairs and rented the downstairs apartment. Velma lived her whole life with her parents and taught school when she was younger then when she retired she stayed home and took care of them.

Believe there were Bushnell cousins in Colorado as Velma mentioned about traveling with a cousin. No Lowes were there so would have been Bushnell's.

CHILD 1 - Velma Frances Bushnell

Velma had lived at home with her parents all her life in Ft Collins. She stayed home and took care of them. She never married.

Address: 1119 Ridgelawn Drive, Ft. Collins, CO 80521 (1994) They sold the home either in 1997 late or 1998, not sure when.

Address as of Apr 1999: Collinwood Assisted Living, 5055 S. Lemay, Ft Collins, CO 80527. She will be 94 the 15th of April.

DEATH: Helen Bushnell called me and told me of the death of Velma Bushell on 24 Apr 2001. She just turned age 96 yrs of age on the 15th.

Notes

CHILD 1 - Velma Frances Bushnell (Continued)

Velma had a stroke about a week before and really never recovered. She had lost so much weight and was down to about 91 pds before the stroke then she lost some after that so was just nothing left of her. She had lost most of her hearing and eye sight over last 3 years. Helen had her moved to Greeley CO where she could take care of her easier about that time.
She said she had dementia and really didn't know anyone but was very apprecitive of all done for her and she liked to go for drives. They were going to have a private burial service with family only on Friday then will have Memorial service at the church in Ft Collins that she was a charter member at 2:30. She had no one left but 2 nieces and Helen, her sister in law.

She taught school for many years and upon retiring she did some traveling. She went to Europe summer of 1970 and also a trip to Europe and Germany summer of 1971. Summer of 1973 went to the eastern New England states and east coast. Summer of 1978 she came to Iowa to visit relatives and to Bettendorf to visit my Mother. First time in Iowa in many years. She traveled with a cousin. Later years she went to Isreal and other countries.

She also had apartment houses which she kept busy with.

In trying to locate some info on Velma Bushnell after not hearing from her in few years and had always corresponded at Christmas time, I was able to locate phone number of Jon Neet in Greely CO in Apr 1999 and called him to see if right person and was so he gave me Helen Neet Bushnell, his mothers phone # and I called her the next day on the 7th of April and she gave me address where Velma was living in an assisted home in Ft. Collins, CO. She said she had many of Velma's pictures but didn't know who they were as not written on and some of the Bushnell cousins were to come in couple months to look at them then she may send me the rest.

Helen Jackson Neet Bushnell is the guardian for Velma as she has no one else and they had to sell her home and close it out which was quite a job I guess. She tries to go see here at least once a week or if bad weather every two weeks. Helen was married to Velma's brother Robert from 1967 to 1971 when he died. They decided to keep the apartment buildings as was good income and she didn't need it.

Helen said Velma had good days and enjoyed being where she was but some days she didn't remember and some days she did so her mind is failing. Helen said about a year and half ago Velma went to eat at the center where she always went and apparently got lost and was located south of Denver where she had kept making wrong turns when trying to get back home so they finally contacted Helen and they put her in a hospital for a while then moved her to a nursing home which she really didn't like so then moved her to the Assisted Living Center and she is happy there.

The reason we were beginning to be concerned was since we always send her Xmas cards, Mom and I every year and haven't gotten them back but haven't heard from her in the last 2-3 years as we always had before so needed to find out the situation. Since they had never given me too much information I had to go about finding out the hard way. For some reason we had her address as Mom and I had visited her in her home in Ft Collins some years ago, we didn't have a phone #. Of course since it was sold she wasn't listed in the phone disk nor was Helen or sister June but thru Jon Neet was able to locate his mother hence to where Velma was living.

CHILD 2 - June Larraine Bushnell

June was living in Tuscon, AZ the last I heard. Address: 3384 Winstel (1975) Belive she is still living in Tuscon 1994. Her sister Velma had visited her at different times.

When talked to Helen Jackson Neet Bushnell 7 Apr 1999 she told me June had died a year or two ago in Feb. Had two daughters both living in California.
Talked to Helen again in April 2001 and she said date was Feb 1997 and her ashes were buried next to her parents in Ft. Collins, CO.

CHILD 3 - Ardella Rebecca Bushnell

Info from Velma Bushnell and I had located her grave stone in the Grandview cemetery in Ft Collins, Co.

CHILD 4 - Robert Lee Bushnell

Info on Robert from sister Velma. She said Robert was living in Greeley Co. which is where he is buried. His obituary said he had lived in Greeley since 1945 and worked for the Home Light and Power Co. He was an Air Force veteran of WWII He had no children, however his wife had 3, Jon, Dona and Bill, of Greeley. He married very late in life, age 48. His wife is still living in Greeley as far as I know. (1994). (was still in 1999 at age 75).

Velma had a stroke about a week before and really never recovered. She had lost so much weight and was down to about 91 pds before the stroke then she lost some after that so was just nothing left of her. She had lost most of her hearing and eye sight over last 3 years. Helen had her moved to Greeley CO where she could take care of her easier about that time.
She said she had dementia and really didn't know anyone but was very apprecitive of all done for her and she liked to go for drives. They were going to have a private burial service with family only on Friday then will have Memorial service at the church in Ft Collins that she was a charter member at 2:30. She had no one left but 2 nieces and Helen, her sister in law.

She taught school for many years and upon retiring she did some traveling. She went to Europe summer of 1970 and also a trip to Europe and Germany summer of 1971. Summer of 1973 went to the eastern New England states and east coast. Summer of 1978 she came to Iowa to visit relatives and to Bettendorf to visit my Mother. First time in Iowa in many years. Helen Jackson Neet Bushnell is the guardian for Velma as she has no one else and they had to sell her home and close it out which was quite a job I guess. She tries to go see here at least once a week or if bad weather every two weeks. Helen was married to Velma's brother Robert from 1967 to 1971 when he died. They decided to keep the apartment buildings as was good income and she didn't need it.

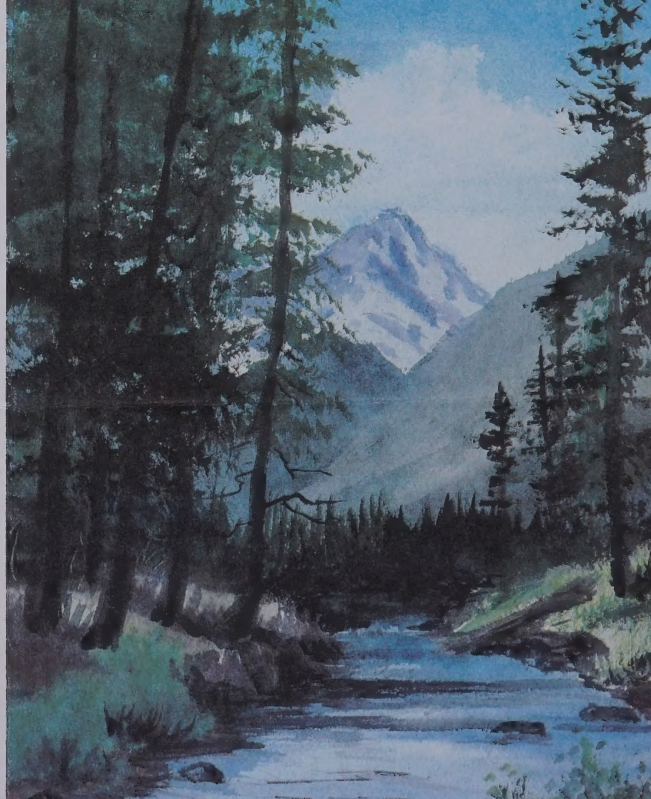
"Mountain Stream"

The watercolor painting is by local artist, Mary Weiss. Mary has lived in Colorado since 1947 and has been painting for over 30 years. The mountains and prairies of Colorado are her chosen subjects.



God hath not promised
Skies always blue,
Flower-strewn pathways
All our lives through;
God hath not promised
Sun without rain,
Joy without sorrow,
Peace without pain.

But God hath promised
Strength for the day,
Rest for the labor,
Light for the way,
Grace for the trials,
Help from above,
Unfailing sympathy
Undying love.

HUSBAND - Robert Lee Bushnell

Info on Robert from sister Velma. She said Robert was living in Greeley Co. which is where he is buried. His obituary said he had lived in Greeley since 1945 and worked for the Home Light and Power Co. He was an Air Force veteran of WWII He had no children, however his wife had 3, Jon, Dona and Bill, of Greeley. He married very late in life, age 48. His wife is still living in Greeley as far as I know. (1994). (was still in 1999 at age 75).

WIFE - Helen Jackson

Helen was married first to Mr Neet and had 3 children. Jon, Dona and Will Neet.

Helen's phone # is 970-352-7122 Greeley, CO. Forgot to get her address when I talked to her in Apr.

In trying to locate some info on Velma Bushnell I was able to locate phone number of Jon Neet in Greely CO in Apr 1999 and called him to see if right person and was so he gave me his mothers phone # and I called her the next day on the 7th of April and she gave me address where Velma was living in an assisted home in Ft. Collins, CO. She said she had many of Velma's pictures but didn't know who they were as not written on and some of the Bushnell cousins were to come in couple months to look at them then she may send me the rest.

Helen is the guardian for Velma as she has no one else and they had to sell her home and close it out which was quite a job I guess. She tries to go see here at least once a week or if bad weather every two weeks.

Jon Neet's address 1833 Delmont Ave, Greeley, CO 80631-6206 and phone # 970-356-3514 as of Apr 1999.

Dixie Snyder called me 12 Aug 2004 from a campgroud, Indian Trails, in Ill and said she had talked to Jon, Helen's son and found out that Helen had died 9 months before, but didn't get a date, but that would put her death abt Nov 2003 I would guess. (Dixie is Roberts sister June's daugher)

Helen was married first to Mr Rice and had 2 children. Jon, Dana and Will Rice.

Helen's phone # is 970-352-7122 Greeley, CO. Forgot to get the address when I talked to her in Apr.

In trying to locate some info on Velma Bushnell I was able to locate phone number for Jon Rice in Greeley CO in Apr 1999 and called him to see if right person and was so he gave me the mothers phone # and I called her the next day on the 7th of April and she gave me address where Velma was living in an assisted home in Ft. Collins, CO. She said she had many of Velma's relatives but didn't know who they were e.g. not written to and some of the Bushnell cousins were to come in couple months to visit at which time she may send me the mail.

Helen is the guardian for Velma as she has no one else and they had to call her home and close it out which was quite a job I guess. She tries to go see them at least once a week or if bad weather every two weeks.

Jon Rice's address 1273 Delmore Ave. Greeley, CO 80631-5209 and phone # 970-356-1514 as of Apr 1999.

Dixie Snyder called me 12 Aug 2004 from a campground, Indian Trails, in ID and said she had talked to Jon Rice's son and found out that Helen had died 9 months before. She didn't get a card, but that would put her death at Nov 2003 I would guess. Dixie is Eugenia sister Jones daughter).

at Loveland Junior High School

Authorities said the cannon are among several made by shop students at the school under the supervision of teachers.

The confiscations occurred after Loveland police received a report Sunday of a disturbance. Following up the report, police arrested three boys about 13 years old, and confiscated a cannon, gunpowder and a plunger stick.

The incident was reported to the sheriff's office for further investigation. Authorities said school officials were unaware the shop teachers were allowing the students to make the cannons.

Authorities believe the cannons are classed as illegal firearms and have notified the U.S. Treasury Department of the incident.

Sheriff's police said the youths were making the cannons out of brass, originally, but "they kept blowing up," so they changed to steel.

The cannons were made by boring-out steel rods 1.5 inches

For many years we had a family reunion every August when all the children, grandchildren and other relatives came to the farm. We all did look forward to those times. There wasn't any indoor plumbing or hot & cold water in doors but no one seem to mind. Then we had those feather ticks to sleep between at night, which was a treat as we all had regular beds.

Willard went through the 8th grade from Lone Star School, near where they lived in rural Adair Co. But it never seem to hold him back from doing what he wanted as he made a success of his life.

The first year of marriage he traveled some, trying to find a good job but never found what he really wanted, so after few months they lived with his parents shortly after they were married and helped with the farming, until soon after their first child was born, then they moved to another farm near Bullion, MO. This is where their second child was born. Their 3rd child was born in Davenport, IA and died few days after he was born.

By 1940 they decided they couldn't make a living at farming there so decided to move to Rock Island, Black Hawk Co., IL where he got a job with the Sturdevant Dairy. Would have been after 17 Apr 1940 as was still in Salt River Twp, Adair Co. MO in 1940 census.

By 1942 he had rented a farm near Hillsdale, IL but continued to work at the Dairy as well. He lost part of his index finger in a machine at the Dairy about this time.

March 1945 they moved to a farm near Maysville, Scott Co., IA where he farmed on the shares.

March 1948 they moved to a farm that he rented on what was then called The Iowana Farms, now is part of the town of Riverdale, across from the Alcoa plant. He farmed there and also worked at the Iowana Dairy in Bettendorf, IA.

March 1954 they moved to a farm on Devils Glen Road that he rented, still working at the Iowana Dairy. Did several different jobs there, was Forman when he was killed. His son Charles took over the farm and lived there till fall of 1991 when Alcoa decided to dissolve the farm to build houses.

Shortly after moving to Devils Glen Rd. he bought a couple apartment complexes. First time he owned property.

CHILD 6 - Willard Harlo Lowe (Continued)

Rovene sold them after he was killed as just to much work for her to keep up.

He was a 32nd degree Mason and belonged to the Blue Lodge of Davenport, IA, then joined the Hamilton Lodge AF & AM and also the Buffalo Bill Shirne Club of Pleasant Valley, IA.

What spare time he had he liked to fish and play cards and go to dances. He also liked to play the harmonica and only played by ear but was quite good. He worked hard all his life to provide a good life for his family and did.

He never liked heights and had said right up to the last he wasn't going on a plane to Germany but he had gotten his passport and did in the end go. He did enjoy that trip. They traveled a lot and went to the east coast when Gladys lived in Maryland and enjoyed that also. That was about 1970 they went to Washington DC and Philidelphia, PA as well as Baltimore, MD.

He was killed when he was out feeding the pigs, as he had done so many times before, but the tractor apparently hit a rut just right and the tractor over- turned and killed him instantly. Rovene noticed she hadn't heard the tractor in a while and he hadn't come in so went to check and found the overturned tractor. I imagine that was quite a shock to come upon.

He was 5 ft 6 in and weight was about 150 pounds. He had black hair and hazel eyes. His health was good but did suffer from back problems and migrain headaches, as did his father.

Find A Grave internet site I listed Willard Harlo Lowe, birth and death dates and places, pic of he and my mother shortly before he was killed. I wrote his bio as well, his spouse listed, his 3 children and his parents and 4 siblings of which there were 6. Picture of his grave marker also in Davenport Memorial Park, Davenport, Scott co. IA.

CHILD 7 - Gale Alfred Lowe

BIRTH: Recorded in Henry and Laura Lowe's bible and Gale himself. However the family was living on a farm between Yarrow and Gifford in Adair Co. MO. at the time of his birth.

MARRIAGE: Recorded Kirksville, Adair Co. MO and Gale himself. They were married in a double wedding at the First Christian Church in Kirksville, MO with Robert B. Straw and Miss Lora Winchell.

DEATH: They were Living in Renwick, IA and he died at home. He had been in a hospital for about 7 weeks before he came home about a week and half before he died. He had emphysema for several years and slowly got worse until his heart just gave out. He was buried at the Lake Lutheran Church cemetery where they were members which was about 4 miles outside Renwick, IA.

Gale had a 9th grade education from Adair Co. MO.

He left home very young, about 17 or 18 and went to work on a farm in Oakland, IA (which is where his two older brothers were) Then he went to Rock Island, IL and worked at the Arsenal for a while before he was married. His other brother was living there at the time. Then he worked at the Sturdevant Dairy for a while after he was married. Eleanor was sister to Gale's older brother Floyd's wife. After a while they went back to Clarion and farmed and then Humboldt and then Renwick where in 1961 he was a Marshall for the city and also worked for the city as a town employee. His health started to fail and so he left the job and was forced to retire. He had emphysema quite bad. They are still living in Renwick, 50577 Box 22 (1990) but are trying to sell their house so they can moved into Humboldt. 1992 they were still living in Renwick and as for now Eleanor will stay there.

He liked to fish and play Bingo and dearly loved to play cribbage and he was real good at it.

His obituary was in Humboldt paper 27 Feb 1992: "Gale A. Lowe Funeral services for Gale A. Lowe, 74, Renwick, will be held at 1:30 p.m. today (Thursday, Feb. 27) at Lake Lutheran church, rural Renwick, with burial in the Lake Lutheran Church Cemetery, rural Renwick. In Remembrance

Safely Home

I am home in Heaven, dear ones;
Oh, so happy and so bright!
There is perfect joy and beauty
In this everlasting light.

All the pain and grief is over,
Ever restless tossing passed;
I am now at peace forever,
Safely home in Heaven at last.

Did you wonder I so calmly
Trod the valley of the shade?
Oh! but Jesus' love illumined
Every dark and fearful glade.

And He came Himself to meet me
In that way so hard to tread;
And with Jesus' arm to lean on,
Could I have one doubt or dread?

Then you must not grieve so sorely,
For I love you dearly still;
Try to look beyond earth's shadows,
Pray to trust our Father's Will.

There is work still waiting for you,
So you must not idly stand;
Do it now, while life remaineth —
You shall rest in Jesus' land.

When that work is all completed,
He will gently call you Home;
Oh, the rapture of that meeting,
Oh, the joy to see you come!

In Remembrance

I will lift up mine eyes unto the hills,
from whence cometh my help.

My help cometh from the Lord,
which made heaven and earth.

The Lord is thy keeper: the Lord
is thy shade upon thy right hand.
The sun shall not smite thee by day,
nor the moon by night.
The Lord shall preserve thee from all evil:
He shall preserve thy soul.
The Lord shall preserve thy going out

States is still "subsidizing" overseas oil producers? It involves a practice as complicated as it is silly which is known as the "entitlements program."

Also the United States is allowing itself to be hamstrung by homefolks in the development of our own resources.

Meddlesome inteference by environmental radicals has become ludicrous.

The United States must promptly agree on reasonable environmental safeguards and then require unreasonable obstructionists to get out of the way.

In contemplating the appropriate response to any illness, physical or economic, one must balance potential risks against potential benefits.

There is no longer any doubt that the major threat to our nation's economic solvency is foreign oil. While there are other inflationary pressures shrinking our currency, this is the worst and most immediate.

They live on the Mattingley's home place which is 18 miles north east of the town of Bainville, MT. They have 2000 acres and have 80 head of Black Angus Cattle, grow wheat, barley, oats and feed grains.
